

## Grateful Women.

None receive so much benefit, and none are so profoundly grateful and show such an interest in recommending Hop Bitters as women. It is the only remedy peculiarly adapted to the many ills the sex is almost universally subject to. Chills and fever, indigestion or deranged liver, constipation or periodical sick headaches, weakness in the back or kidneys, pain in the shoulders and different parts of the body, a feeling of lassitude and despondency, are all readily removed by these bitters.

## PUBLISHERS' NOTICES.

We invite our readers to visit Julius Meyer's sample room, at 149 Monroe street, where they will always find a good glass of wine and a fresh glass of beer, served by a courteous attendant. Those of our friends who like a game of pool, will there find the well-known golden billiard tables.

We call the attention of our readers to an advertisement of Messrs. Straight & Lyman, insurance agents at No. 150 LaSalle street, contained on the eighth page of our present issue. The companies represented by this agency are among the oldest and most reliable ones in the country; we would refer especially to the following: The Pacific Fire Insurance Company, of New York, doing business since 1851, having assets to the amount of \$705,853.58, of which \$415,377.50 are in U. S. Bonds. The Rutgers Fire Insurance Company, of New Jersey, with a net surplus of \$208,341.74, over and above all liabilities. The New Jersey Bowery Fire Insurance Company, of Philadelphia, organized in 1860. The Merchants Insurance Company, of New York, doing business since 1850. And last, but not least, the Republic Fire Insurance Company deserves a special recommendation, although this ought not to be necessary with our Chicago readers, as this company paid all claims in full at the great Chicago fire in 1871, amounting to over a quarter of a million of dollars. An agency representing such firms deserves the confidence of business men.

## CHICAGO, ROCK ISLAND &amp; PACIFIC R. R.

IS THE GREAT CONNECTING LINK BETWEEN THE EAST AND THE WEST!

Its main line runs from Chicago to Council Bluffs and Omaha, passing through Joliet, Ottawa, La Salle, Geneseo, Moline, Rock Island, Davenport, West Liberty, Iowa City, Marquette, Brooklyn, Grinnell and Des Moines, (the capital of Iowa) with branches from Bureau Junction to Peoria; Wilton Junction to Muscatine, Washington, Fairfield, Eldon, Belknap, Centerville, Princeton, Trenton, Gallatin, Cameron, Leavenworth and Atchison; Washington to Sigourney, Oskaloosa and Knoxville; Keokuk to Farmington, Bonaparte, Bentonport, Independent, Eldon, Ottumwa, Eddyville, Oskaloosa, Peoria, Monroe and Des Moines; Des Moines to Indianapolis and Winterest; Atlantic to Audubon, and Ayova to Harlan. This is positively the only Railroad, which owns, controls and operates a through line between Chicago and Kansas.

This Company own and control their Sleeping Cars, which are inferior to none, and give you a double berth between Chicago and Council Bluffs, Leavenworth, or Atchison for Two Dollars and Fifty Cents, and a section for Five Dollars, while all other lines charge between the same points Three Dollars for a double berth, and Six Dollars for a section.

What will please you most will be the pleasure of enjoying your meals, while passing over the beautiful prairie of Illinois and Iowa, in one of our magnificent Dining and Restaurant Cars that accompany all Through Express Trains. You get an ample meal, as good as in any first-class hotel, for seventy-five cents; or you can order what you like, and pay for what you get. Appreciating the fact that a majority of the people prefer separate apartments for different purposes (and the enormous passenger business of this line warranting it), we are pleased to announce that this Company runs its PALACE SLEEPING CARS for sleeping purposes, and its PALACE DINING CARS for eating purposes. One other great feature of our Palace Cars is
